

REMARKS/ARGUMENTS

Reconsideration of the subject application is requested. Claims 37, 39, 40, 43, 44 and 55-62 remain in the application. Claims 39, 40 and 44 have been amended to depend from claim 37. Claim 43 has been amended to depend from claim 39. Claim 55 has been editorially amended. Claims 1-20 were previously canceled. Claims 21-36, 38, 41-42, 45-54 and 63-69 have been canceled in this amendment.

In the Final Office Action, claims 37 and 55-62 were allowed. Claims 39, 40 and 44 have been amended to depend from allowed claim 37, and claim 43 has been amended to depend from claim 39, which depends from claim 37. Therefore, amended claims 39, 40, 43 and 44 should therefore also be allowable.

Since all remaining claims have been allowed or have been amended to depend from allowed claims, all of the claim rejections in the Final Office Action are moot.

Allowance of the application is requested.

Respectfully submitted,

Robert P. Lenart
